Alpha Generators 2011

25 January - 4 February 2011

Now in its second year, Alpha Generators is a compelling series of conferences brought to you by five leading investment houses, all united by the belief that an active investment management approach is essential for generating alpha.

Hosted by OBSR, these conferences will feature well-known fund managers from First State, Martin Currie, Neptune, Thames River and BlackRock.

Designed to explore the investment potential of different world markets, these half day conferences are an opportunity to hear a collection of insights and outlooks from five industry specialists. Presentations will be made by each of the investment houses, plus there will be a panel session when you will have the chance to ask questions.
