ON SELECT NORTHERN EUROPE VOYAGES

ENCHANTED BY NORTHERN EUROPE

The tales of Northern Europe only skim the surface of this noteworthy region. Step back in time amidst Tallinn's old town, journey along the Flam Railway, or take a Latvian cooking class. Gain a unique perspective on each destination across historic lands full of legends, plus delight in complimentary experiences ashore, including private tours and symphony concerts. *Silver Spirit* makes her European debut in 2018, offering exclusive routes as she — along with *Silver Wind* — cruises up Norway's North Cape. Our small ships get you much closer to Europe's grandest wonders, while other big ships must anchor offshore — and our current air offer includes **business class airfares** on select voyages. From architectural splendours and grand palaces ashore to personalised service and gourmet dining on board, Silversea's luxury cruises to Northern Europe and the British Isles are something to write home about.
